

CB

# Cameron Bell

## Professional Summary

Motivated kitchen worker ready to move away from the field or food service. Eager to learn critical skills in the field of web development and to help contribute to team success. Dependable, reliable and hardworking with basic HTML, CSS, jQuery, and Node skills.

## Work History

### Zupas Cafe - Dishwasher

Phoenix, AZ

07/2019 - Current

- Oversaw incoming deliveries, including unboxing supplies, shelving stock and rotating items.
- Washed equipment, surfaces, refrigerators and other areas and applied sanitizing chemicals.
- Kept kitchen areas neat and clean by removing trash and organizing supplies.
- Boosted team efficiency by keeping kitchen areas organized, clean and properly sanitized.
- Increased machine efficiency by scraping and pre-washing dishes.

### Sheppard Pediatric Dentistry - Sanitary Technician

Anthem, AZ

10/2016 - 08/2018

- Cleaned all the equipment used by the dental assistants and the Dentist himself.
- I also restocked the equipment I cleaned at each chair, and made sure that everything was as clean and neat as it could be.
- I cleaned each and every chair after it was done being used by the patient and dental assistants.
- I organized patient folders before we switched over to digital copies.

## Education

2018

**Boulder Creek High School**

Anthem, AZ

**High School Diploma**

**College of DuPage**

Glen Ellyn, IL

Computer Science

I only spent a year at College of DuPage because I didn't believe that I was getting the right education for the amount of money that I spent there.

2020

**University of Arizona**

Online

Web Development

I took a 6 month online course through U of A for web development, to help me get into the field of computer programming.
